Annual CHS/CUHS Alumni Meeting and Dinner Cancelled Due to Coronavirus

While we do not know what the pandemic situation may be in June, we believe it is prudent to cancel the annual meeting this year.

Message From President Harry

Greetings CHS Alumni;

This year our CHS Alumni Association Reunion has been cancelled because of the Coronavirus. We hope all Alumni are well along with their family members. We felt that the health of our Alumni outweighed the get together in this situation. We hope everyone understands.

This year we would have welcomed the incoming Class of 1980 for their 40th reunion. Next year will be a little different in that we will recognize both Classes of 1980 and 1981. We will strive to make it special for both classes.

With this issue of the newsletter you'll see a different layout from editor, John Manly. The amount of work on this publication each year is a huge undertaking and involves months of preparation. Thank you John for taking on this important responsibility.

As with any volunteer organization the Alumni Board depends on help from

their fellow Alumni members to continue a wonderful yearly tradition. That being said we need more members to step up and become an officer to make this possible. The offices open to be filled are president, vice president and treasurer at this time. Please help to fill these offices and help find other members who can lend support. Any Alumni from CHS can be an officer, they don't need to be 40 year and beyond Alumni. Please contact me at (503) 781-1243 or Hugh Whitson (509) 493-3173 or (509) 281-0283, or any officer listed in your newsletter.

We greatly appreciate continued donations for the printing of the newsletter and to the CASPE scholarship fund. The generosity of your contribution(s) is humbling, and we remind you to take advantage of the 501 (C) - (3) as the Alumni Association is a non-profit organization.

See you next year!

PLAN NOT TO ATTEND

Saturday, June 6, 2020

"Out of an abundance of caution" – we have cancelled this year's Reunion planned for June 6th. We are now planning a Reunion for next year.

Please plan to attend next year on

Saturday, June 5, 2021

Social Hours 2:00 to 5:00 PM

Business Meeting 5:00 PM – Dinner 6:00 PM

The virus has missed most of us but we are all of an age where caution is necessary. It has driven us to this decision. We do not want to assemble our Alumni in close quarters this year. Our Reunion attendance is normally 350 to 500 of our most valued friends. We do not want to put any of you at risk.

But we do recognize some of you will still want to contribute to CASPE, memorials or newsletters postage this year. Our Annual meeting will be held at one of our monthly meetings when this stuff all settles down.

Please complete the form below and return it along with any check in the supplied envelope.

Please make any check payable to: **WS-CHS Alumni Assoc. Reunion**

EDITOR'S NOTE:

These letters are in response to last year's 2019 Columbia Alumni newsletter. Letters were typed for this publication as received.

Hello:

We won't make it to the reunion again this year.

Next year is Mary's 60th anniversary reunion, so we'll make a good effort to get there. We've put our names on the list for a continuing care community in Williamsburg, VA. And are waiting to hear when an apartment will be available. In the meantime, we've started the prodigious effort of downsizing after living in the same place for 38 years. "Stuff" accumulates to meet the space allotted to it.

I've enclosed our annual contribution to the CASPE fund and for newsletter expenses. We enjoy the newsletter and think the CASPE committee is doing a great job.

The letter from Clara Muender Haight in this year's "From the Mail Bag" takes me back to fourth grade when her mother was my teacher. She was a lovely lady and a great teacher, and I'll bet my classmates remember her fondly, too.

Hope the reunion goes well and perhaps we'll see you next year.

Enjoyed the paper – saying hi to you all. Again not being able to fly. Have a great time you all

Diane (Schilling) King

Hello!

I just wanted to say I'd like to attend but I'm busy taking care of my companion, "Don," who was with me at the last reunion I was able to attend. I still drive a lot and am the "driver" for 3 – Don, my son Bruce and me – to all of our appointments. I'm lucky to still be so active! Hello to all of the classmates who attend. Maybe I'll make it next year and celebrate my 90th birthday.

2019 CASPE Recap

2019 was an extremely friendly year in the financial markets with lots of political rhetoric, trade talk, FedSpeak (Just like last year!) yet continued economic vitality in the global economies. True to form, the CASPE Committee remained conservative and disciplined in its investment policy through a diversified mix of high quality bonds and stocks. CASPE continues to be grateful for all of the many alumni contributions. We started the year with an account balance of \$546,424 and we are proud to report a year end portfolio balance of \$654,124. WOW!!!

For 2019, the CASPE Committee was excited to be able to award a \$2,000 scholarship per recipient. This year we proudly presented scholarship awards to 11 qualifying seniors, continuing our strong commitment in awarding financial aid to CHS seniors! Once again, big kudos to the entire Scholarship Committee for their huge efforts in the scholar-

ship selections and awards process. Our investment approach, as always, can be attributed to a conservative, carefully crafted and diversified portfolio strategy engineered by the CASPE Committee. As a fundamental rule, we keep a long term approach with respect to our long-range scholarship goals. This is important as our goals are ambitious going forward. The committee never stops exploring creative ways to increase our portfolio assets.

We would like to extend an invite to any Columbia High Alumni to join our Committee as their presence is always welcome in terms of offering new insights and ideas into our organization. Anyone interested, feel free to contact any CASPE Committee Member.

Our heartfelt gratitude to our entire Alumni Family for all their generosity and truthfully, to everyone who has con-

tributed through their finances and hard work to help accomplish the lofty goals of CASPE; which is to further the educational goals of worthy graduating CHS seniors! As always, we ENCOURAGE your consideration of the CASPE FUND for your future charitable donations and for including CASPE in your estate planning, long-range strategies. Without all of you, NONE of this would be possible!!!!

Welcome CUHS & CHS Alumni

Welcome back to the 2020 Columbia High School Alumni annual social. We hope each of you are doing well. The CHS staff and administration continue to work diligently in providing a quality education that is focused on equity and the well-being of each student. Students have the opportunity to participate in a variety of extra-curricular activities including sports, clubs, knowledge bowl, mock trial, and many other activities. State graduation requirements are changing and students can now select different graduation pathways that can lead to a variety of post-secondary opportunities.

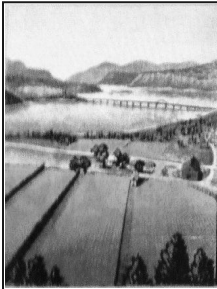

CHS did not have many staff changes this school year. Jan Callow, our Career and Technical Education teacher for Business retired at the end of last school year. Colin Cieloha, a recent college graduate was hired to replace Jan. Julie Davis, the CHS Librarian will retire at the end of the 2020 school year. Julie has done an outstanding job over the past twenty years and she will be missed.

The high school was required to go through a re-accreditation process this school year. This is a process that takes the entire school year to complete and was led by the high school principal, Craig McKee, and his building accreditation team. The livestock pavilion was completed this school year and has become a wonderful addition for our Ag program and FFA students. Our TRICO 1A sports league has gone through a reclassification this year and there were a number of changes that will affect our high school. Our football league for the 2020-2021 school year will only include White Salmon, King's Way, Seton Catholic, LaCenter, and Castle Rock.

Our district received several grants that have allowed the district including the high school to provide more student support in the area of social and emotional learning. CHS was also selected to participate in a national pilot that supports the well-being of students. All of our 10th grade students had the opportunity to participate in this pilot. These efforts are helping to build a stronger and more supportive school culture and learning environment for students and staff.

This is my 11th year as the district superintendent and I feel very fortunate to work with such an amazing staff and supportive community. Please enjoy your time together this year and thank you for being part of the Columbia High School Alumni!

Balance in the Proactive Financial Portfolio as of 12/31/19 is \$654,124.44

Thank You For Your Support in 2019

You've all been very generous with your contributions this past year and it is greatly appreciated. The ads placed by business owners and your personal contributions allow us to send you the newsletter each year. We currently have a balance of \$6,666.68.

We will miss the activity that comes with the Alumni Reunion this year, but hope you will attend next year and have a wonderful time. We look forward to your continued support, as the proceeds from reunion activities help to fund the scholarships given out each year and also increase our investment account balance.

PLEASE MAKE ALL CHECKS PAYABLE TO: WS CHS Alumni Association Reunion and make a note on the check as to where the funds should be used, (i.e., scholarships, newsletter, memorial, etc.).

We are still in need of volunteers to assist committees and to fill officer positions!

We are searching for volunteers to help fill several positions that are soon to be vacated, so please help us. My position as treasurer will end December 2020 and we're looking for a replacement to learn the Quick Books Accounting system and then I will support in the Assistant Treasurer position if necessary for one year. I will be glad to give any information to help you understand what is required of this position. Please contact me at 360-907-1221.

If you have any suggestions of persons who might volunteer to help, call Hugh Whitson, 509-493-3173, or Harry Harvey, 503-781-1243.

Scholarship Thank You Letters

To Whom It May Concern,

I was selected as the recipient of the 2019 CHS Alumni Scholarship. I plan to use that scholarship money to attend Rocky Mountain College in Billings, Montana. I have been accepted into their Aviation program and my first day is Tuesday, August 20th. I am very excited about this opportunity and truly appreciate your support.

**Sincerely,
Ethan Andrews**

Columbia High School Alumni Association Scholarship Committee,

I am grateful to you, the scholarship committee, for selecting me as one among the winners of the CHS Alumni Scholarship. You have certainly contributed to my dream of higher education. I am excited to begin my schooling in Bend, OR., and eventually live as a firefighter/paramedic. One day, I hope to be in a place in life where I can return the gesture to CHS and assist others as you've assisted me.

**Thank you,
Gregory Haner**

To Whom It May Concern:

I am writing to express my gratitude for the fund's generous \$2,000 scholarship. Upon finding out that I was selected as a recipient, I was enthused and appreciative that my qualifications and aspirations stood out among those of many others.

With the help of your scholarship, I will be an Electrical Engineering major with a focus on renewable technologies and power storage at the University of Washington in Seattle, Washington. During my undergraduate studies at the University, I will join the world-famous Husky Marching Band and the Society of Hispanic Professional Engineers. After graduation, I plan to pursue a career with a large firm where an emphasis on innovation is placed. Thanks to your scholarship, I am a step closer to that goal.

By awarding me the CHS Alumni Scholarship, not only have you decreased my financial worries, but you have shown me that hard work does indeed pay off; this will more than certainly increase my work ethic and help me succeed beyond my wildest dreams. I hope that someday I will be able to help students succeed in the same altruistic manner you have helped me.

**Sincerely,
Cesar Robles**

Dear CHS Alumni Association,

I would like to take this opportunity to thank you for awarding me the 2019 Columbia High School Alumni Association Scholarship. As one of this year's recipients, I am grateful for the opportunities this award will provide me.

Since receiving this scholarship, I spent my summer working as an intern at The Dalles Fruit Company. When my internship ended at the beginning of August, I began working as a receptionist and office assistant at Underwood Fruit Company until I left for Central Washington University on September 20th. Currently, I have completed my first quarter at Central Washington University and achieved a 4.0 GPA. In addition to academics, I am a founder of the CWU Women's Volleyball Club and currently hold an officer position as treasurer. During winter quarter, I will begin my business classes in order to work towards my degree in Business Administration with a Marketing and Finance specialization.

I am very excited to continue my education at Central Washington University. And I would like to thank you again for your generosity and support to make this possible.

**Sincerely,
Angelie Sampson**

Columbia High School Alumni Association

Thank you for taking the time to review my application and reward me with this scholarship. I am honored to be one of the recipients and now a CHS Alum! I will be utilizing this to help me financially at Eastern Wyoming College this fall.

**Appreciatively,
Gracie Vaughan**

Dear Members of CASPE,

I am writing to express my sincere gratitude to the members of "CHS Alumni Association" for selecting me as a 2019 recipient for the scholarship. I was thrilled to learn of my selection for this honor and I am deeply appreciative of everyone's support during the process of selecting me as a recipient. I feel blessed.

I am presently attending Whitman College. I love my college a lot and plan to call it my home for the next four years. Although I have an idea what I want to study, I prefer to explore a bit more with other subjects before I declare my major. The financial assistance that is provided will be of great help to me in paying my educational expenses.

Thank you again for your generosity and support. My promise to all members of "CHS Alumni Association" (CASPE) is, I will work very hard and eventually give something back to others. By awarding me this scholarship your organization and all members of the scholarship committee have lightened my financial burden with allows me to focus more on the most important aspect of school, learning. Your generosity has inspired me to help others and give back to the community. I hope one day I will be able to help students achieve their goals just as you all have helped me.

**Sincerely,
Emily Lockman**

To Whom It May Concern,

Thank you so much for awarding me the Columbia High School Alumni Association Scholarship in the amount of \$2,000. Your investment in my education means a lot to me and my future goals. The price tag of college has gotten smaller and my future is now more accessible, I am deeply thankful for this. I am truly honored to receive the CASPE scholarship, thank you.

**Sincerely,
Grant Anderson**

Dear CHS Student Alumni Organization,

I would like to start this letter by thanking you for your generosity towards me and other students of the community. Receiving the CHS Alumni Scholarship made me very happy and relieved some of the financial burden that has been looming in the back of my mind for months. I have no doubt that your scholarship will aid my goals of attending college and becoming the first person in my family to receive a degree. I chose to attend Western Washington University primarily because of its exceptional environmental studies program and because of its location. At Western, I plan to develop my interest in the environment and the arts by majoring in environmental studies and minoring in Spanish and film.

Again, I would like to thank you for graciously contributing to my goals and dreams, that everyday become more of a reality. I am so excited to have this opportunity and hope that in the future, I too, can make a difference.

**Sincerely,
Suleyma Yazmin Nunez Cordoba**
